COAST MOUNTAINS BOARD OF EDUCATION SCHOOL DISTRICT 82

INTERNATIONAL STUDENT PROGRAM

*“Creating opportunities for learning,
opportunities for life”*

School District Overview

Coast Mountains School District 82 is located in the northwest of British Columbia and encompasses the traditional territories of three aboriginal nations: the Gitksan, the Haisla, and the Tsimshian.

The richness of our local First Nations culture and history contributes to all our schools in a very positive way as Aboriginal and non-Aboriginal learners benefit from the diversity surrounding them.

The school district includes the main communities of the Hazeltons, Kitimat, Kitwanga, Stewart, Terrace and Thornhill. 1 million square feet of classroom and office space. The geographical area covered by the district is of equivalent size to the country of Finland.

Mission Statement

Coast Mountains School District supports learners in achieving success and realizing their potential as educated citizens.

COME AND LEARN WITH US!

Do you want to learn in one of the most beautiful and pristine places in British Columbia? Coast Mountains School District can offer you a student destination that offers a high-quality personalized education while enjoying the local culture, outdoor recreational activities, hands-on natural resources and the safety and friendliness of a smaller community that will enhance your learning and development of the English language.

"Small towns are great for learning to adapt to a new culture. You have better opportunities to meet new people and learn about the new culture. My school is located in a beautiful valley amongst the mountains. I have made some new friends because the students are nice. It is a safe environment. Every day I improve my English skills in the Learning Centre. I really like studying and being in School District 82."

Nikolay, International Student
