Homestay Hosts For International Students

Coast Mountains School District 82

What Makes A Good Homestay Host?

A sensitive and patient family.

It can be overwhelming for a student to be so far away from home. A thoughtful host family appreciates that each student is unique, and that communication and mutual understanding take effort.

Things To Consider

- Do you have time for a student?
- Is everyone in the household ready to welcome someone with a different background in their home?
- Do you want to experience a different culture without leaving the comfort of your own home?

As A Homestay Host You Can Expect To...

- Grow in your understanding of the world and its peoples
- Make life-long friendships
- Share the beauty of your home and community
- Ensure your local economy benefits from the booming international education industry
- Receive a generous allowance to offset expenses

International Students Who Live With Canadian Families

- Learn language and Canadian culture in a healthy, caring environment
- Get a positive introduction to Canadian family life, which encourages many to apply for permanent residency after graduation
- Become valuable future partners in trade, political relations and global leadership
- Bring a broader world-view to their communities back home

“Make an international student's Canadian experience truly unforgettable by becoming a homestay family”
